The Bremerton Police Department, along with the Bremerton Fire Department and personnel from the US Navy, recovered a body from the water near the Bremerton Marina after receiving a call at 11:18 this morning. The Kitsap County Coroner's Office has worked with the Mason County Sheriff's Office to notify next of kin and has approved the preliminary release of the identity of the deceased. Initial indications are that the death was due to suicide, and the deceased is Frank Edward McDonald, age 52, of Belfair. The Bremerton Police Department will continue our investigation of the circumstances, along with the Coroner's Office.
