## **Two Suspects Charged with Controlled Substance Homicide**

The Kitsap County Prosecutor's Office charged two subjects with Controlled Substance Homicide. The victim was a 31 year old female who overdosed on heroin last Sunday. Although the victim used a very small amount, it was the first time she had used heroin. The victim passed away yesterday evening after being pulled off life support. One of the suspects, Nicole Browitt, admitted that she and the victim obtained the heroin from her (Browitt's) dealer, Christopher Fletcher (aka: "Cupcake"). Special Operations Group (SOG) Detectives arrested Fletcher on Monday for Delivery of a Controlled Substance, Heroin, and he was booked into custody on the delivery charge, \$10,000.00 bail. Today, Fletcher was also charged with the Controlled Substance Homicide, with an additional \$250,000 bail.

Earlier today, SOG Detectives and BPD Patrol took Browitt into custody for her involvement in the death. She was booked into KCSO Jail for Controlled Substance Homicide, \$250,000.00 bail.
