

# QUINCY SQUARE ON 4<sup>TH</sup> ST.

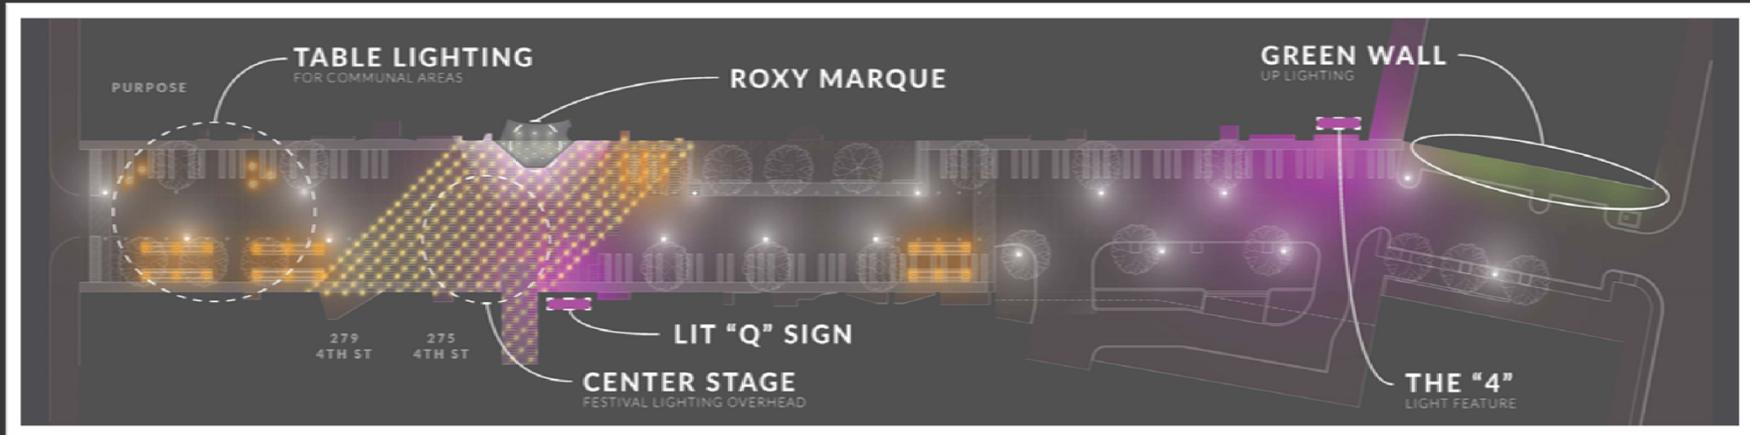

An integrated urban revitalization project on 4<sup>th</sup> Street from Pacific to Washington Avenues.

- Envisioned and championed by a grass roots coalition
- This partnership resulted in two grants totaling \$550,000:
  - CDBG (Community Development Block Grant) \$300,000
  - State Capital Budget Appropriation \$250,000
- This money will be used to design the project (conceptual ideas shown)

- Design phase will include public outreach
- Architecture and Design Consultant will be selected through a competitive procurement process
- Outcome: bid-ready plans a specifications for the construction
- Still much work to do! City and stakeholders will be actively seeking grants to fund construction
