

Bremerton Naval Avenue Bicycle and Pedestrian Enhancements Project

Visit our online open house!

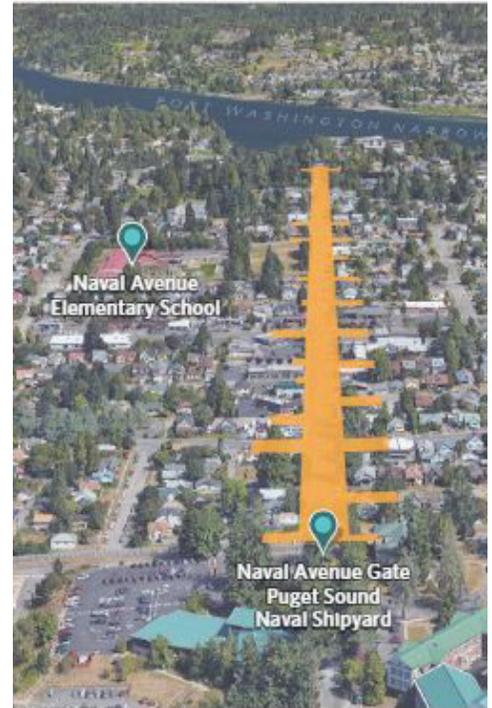

The City of Bremerton is designing enhancements to Naval Avenue from 1st Street to 15th Street to make it safer for all users – and we want to hear from you! Please visit our online open house to learn more about the project and give your input. Your feedback will help the design team as they develop improvements along this corridor.

The online open house will be live from June 26 – July 10, 2020.

The project team will hold a virtual live presentation and Q&A session about the project on **Friday, June 26, at 4 PM.**

Visit the link below to learn more and give your input.

BREMERTON
WASHINGTON

We want your input!

The **Bremerton Naval Avenue Bicycle and Pedestrian Enhancements Project** will add bicycle and pedestrian facilities to enhance walking and cycling within the corridor. The project extends from 1st Street (Naval Gate) to 15th Streets and will be repurposing existing right of way to provide wider sidewalks, bike lanes, crosswalks, and improved access for all.

Visit our online open house to learn more and provide feedback on design at www.NavalAveOnlineOpenHouse.com

Prefer to write a comment? Please use the form below to share any thoughts, concerns, or feedback regarding this project.

Do you experience any barriers to walking or biking in this area?

What else would you like the project team to know as we move through the design process?

Why do you typically use the corridor?

- I live near the corridor
- I use the corridor to get to work
- I use the corridor to get to a school/my children's school
- I use the corridor for another reason:

How do you use the corridor?

- Biking
- Walking or rolling
- Driving
- Other:

Comment Drop Boxes

Drop boxes for written comments will be placed at the Norm Dicks Government Center (345 6th St.) from **June 26 – July 10**.
