

VAN POOL INCENTIVE PILOT

The City of Bremerton is working with Kitsap Transit's Commute Trip Reduction Program to add incentives for SMART Commuters.

Our goal is to reduce costs for our Bremerton CTR Program users (Smart Commuters) creating incentives for SMART commuters.

In support of this goal the following incentives have been implemented:

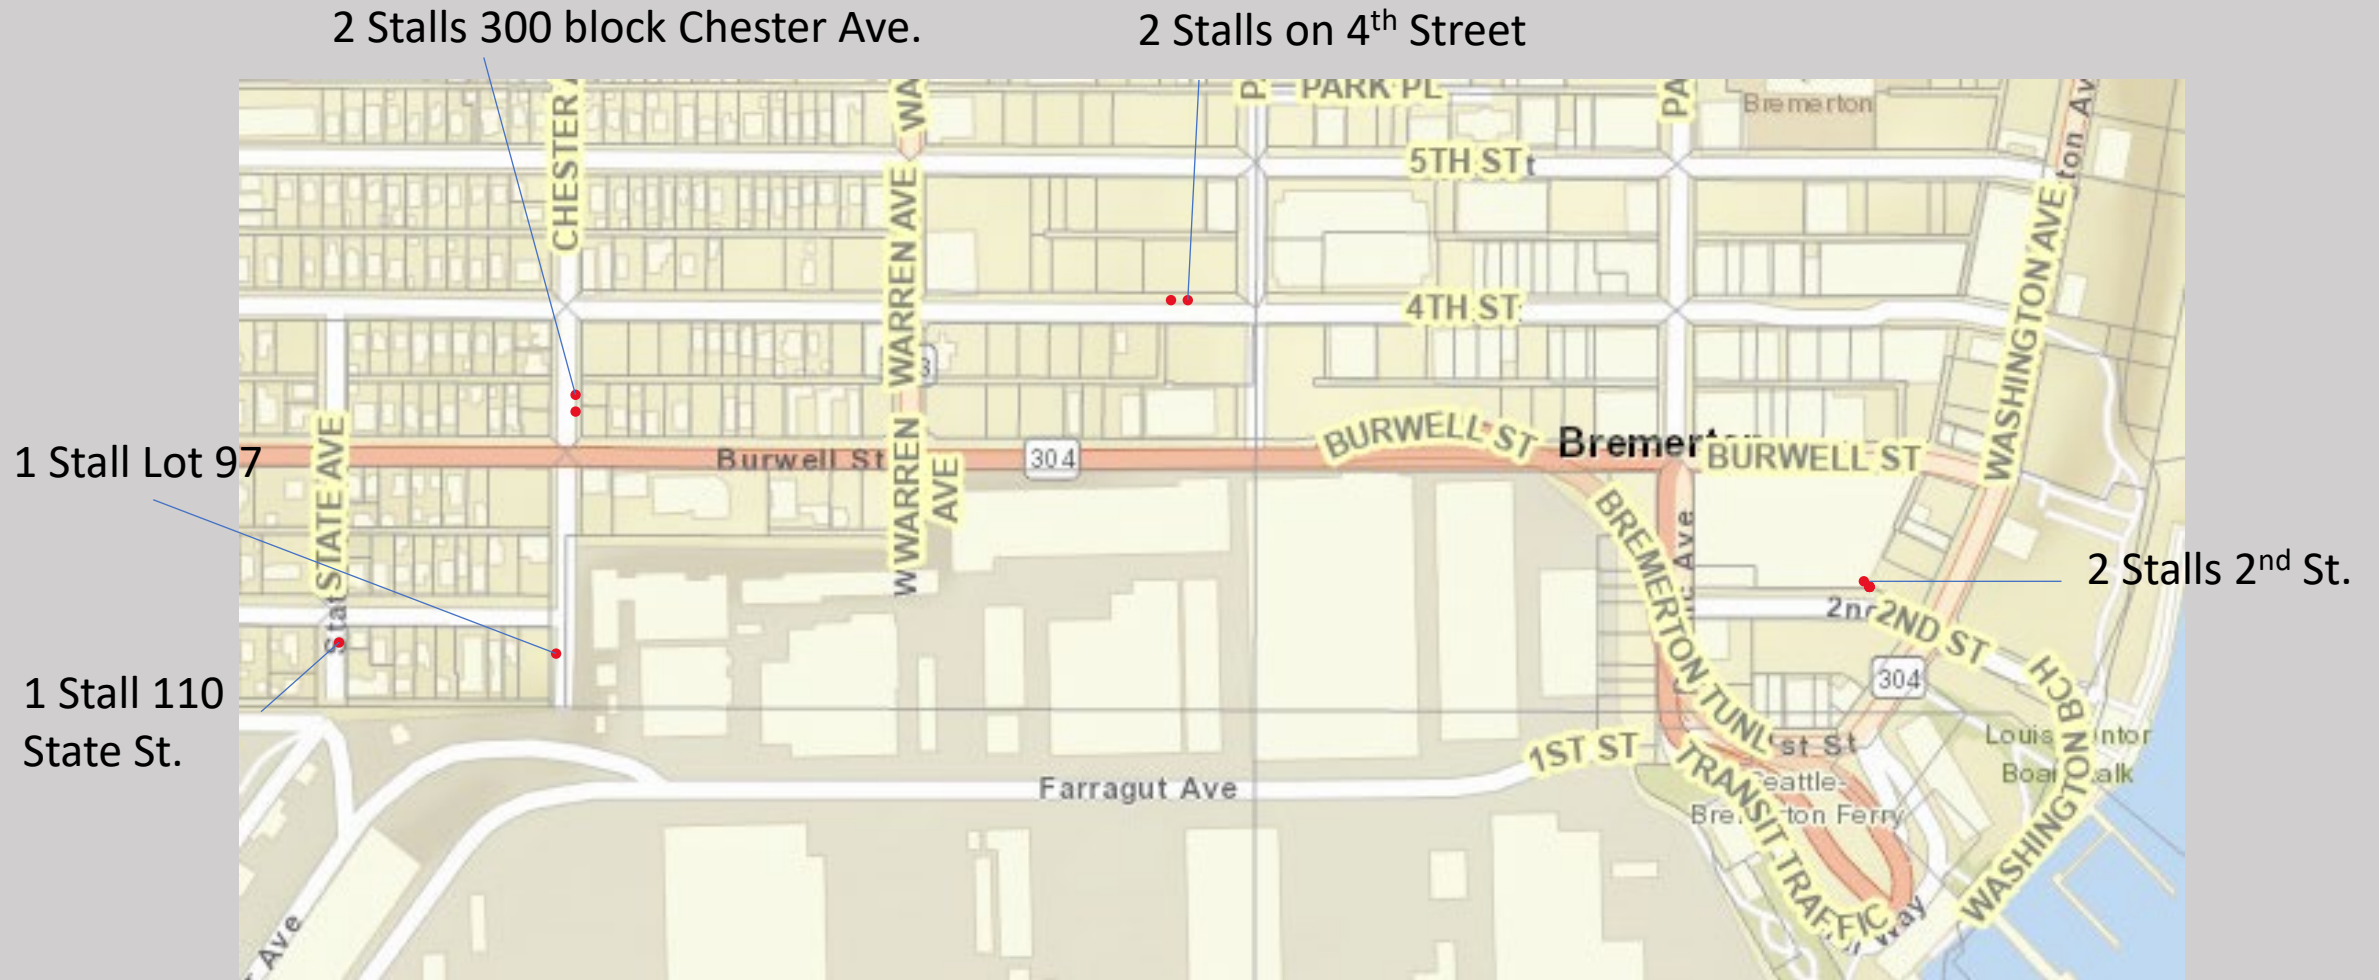

The City created a FREE On-street Parking via the Van Pool Pilot Program and

The City created a discount on monthly permits and hourly parking rates in our Garages and lots certified Smart Commuters.

If you are a SMART Commuter and are interested in reducing your commuting costs please contact:

Melinda Monroe, 360-473-5306, Melinda.Monroe@ci.bremerton.wa.us
