On November 19th, 2019, at 5:11 pm, an 18-year-old male student from the Bremerton High School, was struck by a passenger vehicle traveling westbound on 13th St. Witnesses told police the student was walking southbound on 13th St. wearing dark clothing and headphones at the time of the accident. As the male was midway through the crosswalk at 13th St. and Lincoln Ave, he was struck by a passenger vehicle driven by a woman in her 70's.

Bremerton Police Officers arrived within 4 minutes and discovered the male in critical condition with head injuries. Bremerton Fire paramedics stabilized the victim until he was transported to Harborview Hospital via a helicopter.

Today, officers spoke with the victim's family and learned he was now in stable condition.

We continue to investigate this collision. Preliminary investigation revealed speed and alcohol do not appear to be factors in the accident.
