**TRIPS & TOURS**

**General Travel Information**

**Full Trips**: If a trip is full, please place your name on the waiting list. Often reservations are canceled and we are able to fill the empty spots from the waiting list.

**Registration Process**: Registration for each trip begins when they are published in either the bi-monthly newsletter or the quarterly Activity Guide. Phone-in or walk-in are the two most convenient ways to register for trips. Phone reservations require a credit card. All registrations are first come, first served.

**Refunds**: The Bremerton Senior Center reserves the right to cancel any tour that does not fill or reach it’s minimum to working days before the travel date. In that event, you can either leave a balance on your account or request a refund which can take 2-4 weeks to process. Refunds will not be given to any trip $20 or less that you need to cancel. Cancellations for day trips are given only if a replacement to fill your spot is found. Cancellations for extended trips vary.

**Parking**: Please contact the Senior Center office regarding the parking policy.

**BSC Representative**: A staff member accompanies tours and will ensure that the tour runs as close to schedule as possible, that you are as comfortable as possible and handle any problems that may arise. All participants must have a current emergency medical waiver form on file prior to traveling.

**Payments**: Full payment is due at the time of registration.

**Navigator/Co-Pilot**: The passenger seat is designated the navigator/co-pilot. As the navigator/co-pilot your driver may request your assistance with either driving directions, buckling and unbuckling other travelers and closing the large passenger door. While not all trips require the above mentioned services, there is a basic need for them to some extent on all trips. Please be sure that your physical condition will allow you to perform such duties if requested. This is a great help to our drivers and we appreciate your willingness to lend a hand.

**Mobility of our Participants**: Each trip has an R rating. The higher the rating, the more walking and standing you will be required to do. Please check the rating and know your limits prior to signing up. Since we rely on two 15-passenger vans to travel, be courteous to other passengers. If you require extra time to load and unload please be sure to be the last to load and unload. If you require a special seat to be seated in please make arrangements prior to loading the van and we will attempt to accommodate you. Also, there are no restroom facilities on either van.
