FOR IMMEDIATE RELEASE

January 1, 2016

On 1/1/16 at 11:41 AM Bremerton Police Officers were dispatched to the 3500 block of Tracyton Blvd., just north of Carter Farms Rd., on a report of a vehicle in the water. They found a vehicle that had gone off the road way and entered the Port Washington Narrows, landing on its roof. The occupant compartment of the vehicle was completely submerged.

The first units arrived on scene at 11:43 AM, along with the Bremerton Fire Department. Firefighter/Paramedic Joel Wulf and Firefighter/EMT Craig Patti entered the water and were able to get the lone female driver out of the car. Bremerton Fire personnel immediately began efforts to resuscitate the driver. After getting a heartbeat and signs of life, she was transported to Harrison Medical Center for treatment of life-threatening injuries.

The Bremerton Police Department Traffic Unit is investigating the collision. The roadway was slippery in that area, and at this point in the investigation it does not appear that drugs or alcohol were a factor in the incident.

Anyone with any information should contact Officer Miller of the Bremerton Police Department's Traffic Unit at (360) 473-5496.
