## **One car, serious injury collision on Kitsap Way**

On Saturday 02-11-17 at 2022 hours, officers from the Bremerton Police Department, troopers from the Washington State Patrol and firefighters/medics from Bremerton Fire were dispatched to a one car, serious injury collision in the 6000 block of Kitsap Way.

Preliminary investigation shows that a Toyota driven by a 21 year old East Bremerton resident was heading eastbound on Kitsap Way at an excessive rate of speed, lost control and left the roadway and came to rest against a concrete retaining wall in a private driveway.

The driver was extricated from the vehicle by Bremerton Fire and transported to Harrison Medical Center in Bremerton. He was then airlifted to Harborview Medical Center in Seattle due to critical injuries where he went into surgery. There are no further updates on his condition.

Bremerton officers with the assistance of the Washington State Patrol conducted an investigation on scene which required Kitsap Way to be closed temporarily. The roadway has since been reopened.
