Domestic Violence Assault – 1700 block of Anderson Street

On March 12th, 2017 at approximately 0455 hours, today, Bremerton Police officers and several deputies with the Kitsap County Sheriff's Office responded to a domestic violence assault in the 1700 block of Anderson Street. Upon arrival, officers surrounded the residence in an attempt to secure the scene. About that time, the officers and deputies encountered the suspect, attempting to flee the residence out the back door. The suspect complied with officers and was taken into custody.

Officers entered the home and found a 50-year-old male with serious stab wounds and a bloody crime scene. Officers and deputies secured the scene and rendered aid to the victim until Bremerton Paramedics arrived on scene. Bremerton Police detectives and an evidence technician also responded to process the scene.

The investigation revealed that in the early morning hours of today's date, there had been a domestic dispute at the residence involving an adult woman, her boyfriend, and her adult son. At some point during the dispute, the woman's 26-year-old son assaulted the woman's boyfriend with a knife, stabbing him several times.

The 50-year-old victim was ultimately transported to Harborview Medical Center where he is listed in "serious" condition, but is expected to live. The 26-year-old suspect was transported to Harrison Medical Center with a self-inflicted stab wound to his chest. Bremerton Police officers are guarding the male at the hospital until he is released; he will then be booked into the Kitsap County Jail for felony, domestic violence assault.
