**SUMS**

Seniors Uncover Money Solutions

**SUMS** is you - all members of the Senior Center activities. We are dedicated to raising funds that can be used to make the Center a more enjoyable place for all of us.

**SUMS Officers:**
President: Paul Vlastelica  
Vice President: George Cho  
Treasurer: Al Butler  
Secretary: Audrey O’Leary

**$UMS$ CORNER**

Hello fellow SUMS members! It has been a long, cold, snowy and wet winter. Hopefully spring is in the air, soon. We wanted to let you know the latest and greatest from your $UMS officers. Again we want to thank everyone who took part in the Craft Fair and bake sale at the end of last year. As a reminder $UMS netted $3,033.53 from the Craft Fair and $481.38 from the bake sale. As of 12/12/2016 the treasury has $11,190.23.

Many of you may know, the City of Bremerton is planning a new/redesigned park next to our center. They are looking for donations and those who donate a minimum amount will have a “brick” designated in their name. We plan to donate $500 out of the treasury for this endeavor.

Funds raised at our events are used to purchase or improve our senior center facility, so thanks again for all of our support! Look for some new flooring in the near future.

Your SUMS officers will be meeting soon to start putting together the necessary items for the next Craft Fair in October. We plan to open up the vendor booths to all ages. We will, however, have vendors that make all of their goods by their own hands, regardless of their age. This will hopefully increase the number of vendors at our event. We can only make this event a success with your help. So if you have not volunteered to bake or staff one of the tables, please give it a thought for this coming year.

Speaking of volunteering and baking, we are planning a bake sale in June. We are getting low on the number of vendors at our event. We can only make this event a success with your help. So if you have not volunteered to bake or staff one of the tables, please give it a thought for this coming year.

We are dedicated to raising funds that can be used to make the Center a more enjoyable place for all of us.

FULL TRIPS: If a trip is full, please place your name on the waiting list. Often reservations are canceled and we are able to fill the empty spots from the waiting lists.

REGISTRATION PROCESS: Registration for each trip begins when they are published in either the bi-monthly newsletter or the quarterly Activity Guide. Phone reservations are the two most convenient ways to register for trips. Phone reservations require a credit card. All registrations are first come, first served and members have priority.

REFUNDS: The Bremerton Senior Center reserves the right to cancel any tour that does not fill or reach its minimum to working days before the travel date. In that event, you will receive a credit on your account to be used on another trip at the Senior Center. Refunds will not be given if a trip is less than 24 hours in advance of departure. Cancellations for day trips ($25 or more) are given only if a replacement to fill your spot is found. Please let Senior Center staff know in ample time should you need to cancel. Trips canceled by the participant will be charged a 10% cancellation fee. No refunds will be given for trips canceled less than 24 hours in advance of departure. Cancellations for extended trips vary.

PAYMENTS: Full payment is due at the time of registration.

NAVIGATOR/CO-PILOT: The passenger seat is designated the navigator/co-pilot. As the navigator/co-pilot your driver may request your assistance with either driving directions, buckling and unbuckling other travelers and closing the large passenger door. While not all trips require the above mentioned services, there is a basic need for them to some extent on all trips. Please be sure that your physical condition will allow you to perform such duties if requested.

MOBILITY OF OUR PARTICIPANTS: Each trip has an R rating. The higher the rating, the more walking and standing you will be required to do. Please check the rating and know your limits prior to signing up. Since we rely on two 15-passenger vans to travel, be courteous to other passengers and closing the large passenger door. While not all trips require the above mentioned services, there is a basic need for them to some extent on all trips. Please be sure that your physical condition will allow you to perform such duties if requested.

LA CONNER, TULIPS & LUNCH
THURSDAY, APRIL 20TH - COST, $34, R2
While you may think that the best shopping occurs at the Mall – we think a shopping trip in La Conner will totally change your mind! La Conner is one of Washington State’s most-loved weekend getaways ... and much of it has to do with the retail corridor on both Morris and First Streets. You’ll find an amazing array of specialty shops-most of which have a long list of regular customers who come back again and again to see what’s new, to indulge themselves a little, or to buy gifts for their friends and families. From fine arts and crafts, one-of-a-kind clothing, woodworking, home décor, collectibles, personal care products, stunning antiques, gorgeous jewelry and Italian pottery, the shopkeepers work hard to bring you items that you’ll not find in any mall, or any big-box store. After some retail therapy, we’ll head to the Tulip fields to see if we can catch a few glimpses of these spectacular flowers. There are several stops we will be making at the gardens that offer the best variety. Lunch is on your own in La Conner, transportation is included today.

SPRING MYSTERY TRIP
THURSDAY, APRIL 27TH - COST $59, R2
We are going on a trip to a very mysterious place! You will have fun - we are sure and you will make lots of memories! Dress comfortably for anything and remember to come with an appetite!

WEATHER CLOSURE POLICY - we value the safety of our members and staff above all else. In case of bad weather, the Senior Center will follow the Bremerton School District schedule. If schools are closed, we are closed. If schools are running late, so will we, etc.

**TERRACOTTA WARRIORS AT THE PACIFIC SCIENCE CENTER AND LUNCH**

**TUESDAY, MAY 9TH - COST, $34, R2**

We'll head to the Pacific Science Center to unearth one of history’s most remarkable archaeological finds: China’s Terracotta Warriors. Imagine digging a well near Xi’an, China and stumbling upon an ancient clay army of life-size horses, chariots and an estimated 8,000 warriors—each with a unique human face. For over 2,200 years, they guarded the underground burial complex of Emperor Qin Shihuang, who unified China’s warring kingdoms in the third century BCE. The exhibition highlights ancient technology and engineering used to create the statues, weaponry and underground structure, as well as the modern science being used today as we continue to unearth the secrets of China’s terracotta warriors. Not only will we visit the exhibit but we will also complete our experience with the IMAX documentary Mysteries of China. After the Pacific Science Center, we’ll head off to a late lunch following at Assaggio of Seattle (on your own). Tour, transportation and escort are all included on this tour.

**TULALIP CASINO**

**THURSDAY, MAY 11TH - COST $19, R1**

Enjoy a great day at one of our favorite casinos up north and the Premium Outlet Mall! Visit both places or stay the day gaming or shopping - your choice. There is a complimentary shuttle to the outlet from the casino (where you will be dropped off.) Tulalip boasts a large non-smoking gaming section with hundreds of games to choose from. This is one of our favorites, that’s for sure! The Eagles Buffet offers a mouth-watering selection of international dishes plus fresh seafood, a carving station of succulent meats and Mongolian grill. Don’t forget to complete your dining experience with a decadent dessert of pastry made fresh in the Tulalip Bakery.

**MUSEUM OF FLIGHT & LUNCH**

**THURSDAY, MAY 18TH - COST, $49, R1**

The independent, non-profit Museum of Flight is one of the largest and air and space museums in the world, attracting more than 500,000 visitors annually. The Museum’s collection includes over 150 historically significant air- and spacecraft, as well as the Red Barn—the original manufacturing facility of The Boeing Co., the original papers of the Wright brothers, and the one-of-a-kind NASA Space Shuttle Trainer, used to train every space shuttle astronaut since the inception of the program. Among the most popular exhibits at the Museum are the world’s first fighter plane, the first jet Air Force One, the prototype Boeing 747, the West Coast’s only Concorde, and the world’s fastest aircraft—the Blackbird spy plane. More than just an attraction, however, the Museum is a hub of science, technology, engineering, and math education, serving over 150,000 participants each year through on-site and outreach programs and the Museum’s aviation and space library and archives are the largest on the West Coast, holding more than 1.4 million images. The Museum of Flight is accredited by the American Associations of Museums, and is an affiliate of the Smithsonian Institution. After this amazing tour, we will head to a local restaurant for a delicious lunch included!

**UWAIJIMAYA**

**TUESDAY, MAY 30TH - COST, $14, R2**

Hello fellow SUMS members!

It has been a long, cold, snowy and wet winter. Hopefully spring is in the air, soon. We wanted to let you know the latest and greatest from your SUMS officers. Again we want to thank everyone who took part in the Craft Fair and bake sale at the end of last year. As a reminder SUMS netted $5,033.53 from the Craft Fair and $481.38 from the bake sale. As of 12/12/2016 the treasury has $11,190.23.

Many of you may know, the City of Bremerton is planning a new redesigned park next to our center. They are looking for donations and those who donate a minimum amount will have a “brick” designated in their name. We plan to donate $500 out of the treasury for this endeavor.

Funds raised at our events are used to purchase or improve our senior center facility, so thanks again for all of our support! Look for some new flooring in the near future.

Your SUMS officers will be meeting soon to start putting together the necessary items for the next Craft Fair in October. We plan to open up the vendor booths to all ages. We will, however, have vendors that make all of their goods by their own hands, regardless of their age. This will hopefully increase the number of vendors at our event. We can only make this event a success with your help. So if you have not volunteered to bake or staff one of the tables, please give it a thought for this coming year.

Speaking of volunteering and baking, we are planning a bake sale in June. We are getting low on the number of people willing/able to bake cookies and breads. If you have that talent please let us know. In a few weeks a sign-up sheet will be available at the center for those who would like to bake and make the sale a success.

So with that, we will see you all on our upcoming Senior Center trips and luncheons. Enjoy the spring (whenever it decides to show up):
