Driver Rams Vehicle Through Bremerton Police Department Security Gates

Around 6:30 am, Bremerton Police officers contacted a male passed out in a running vehicle. The vehicle was blocking an alleyway and parked up against the east entrance to the Bremerton Police Department employee parking lot. When the male woke, he accelerated through the metal electronic security gate, causing significant damage to both the gate and the vehicle. The suspect entered the police parking lot then rammed a second gate to escape out of that lot causing significant damage. He continued to flee the scene in the vehicle and crashed again in the area of Warren Avenue and Burwell Street, where he attempted to flee the scene on foot.

Officers chased the suspect on foot and were able to successfully detain him a short distance away. The suspect's vehicle has been determined to have been stolen out of Olympia. The vehicle was impounded to the Bremerton Police Department pending the application of a search warrant. Thankfully, no one was injured during this incident.

The male, whose identity is still unknown at this time, is being investigated for multiple felony crimes and is currently being evaluated by a Drug Recognition Expert for possible DUI charges as well.

Our officers and detectives are continuing to investigate this incident.

Steven D. Strachan, Chief of Police
