### **DV Assault 1<sup>st</sup> Degree / Felony No Contact Violation / Unlawful Possession of a Firearm B17-009063**

Yesterday, December 4, 2017, around 1920 hours, officers responded to Harrison Medical Center to contact a female with a gunshot injury to her hand. The 37-year-old victim initially said she accidentally shot herself, while manipulating her newly purchased firearm at home. Further investigation revealed the truth about the incident and a change in her story. The victim said her boyfriend, identified as 38-year-old, Rodrequiz L. Rogers, purchased the firearm for her. She said she was sitting in her bedroom on a Facebook video call with her niece, when Rogers walked in with the gun in his hand. He began trying to show the gun to the niece on the video call. The victim further stated Rogers was “acting stupid” and waving the gun around near the victim’s right hand. She said he then fired a shot and the bullet struck her right thumb, exiting through the back of her hand. Rogers drove the victim to the hospital and then fled in a green, Volkswagen Jetta. Later that evening, detectives executed a search warrant at the residence where this occurred in the 400 block of Willow Street. Gunshot evidence was recovered there, along with two rifles and another handgun.

There is a no-contact order in place between the victim and Rogers, the respondent. Additionally, Rogers is a convicted felon, with his most recent felony conviction being an Unlawful Possession of a Firearm charge.

There is probable cause to arrest Rogers for DV Assault 1, Felony No-Contact Order Violation and Unlawful Possession of a Firearm. He should be considered armed and dangerous. Anyone with information on his whereabouts are urged to call Bremerton Police detectives as (360) 473-5228, or call 911.
