

WASHINGTON AVENUE & 11TH STREET IMPROVEMENTS

Road Construction Report

APRIL 2024

The temporary closure of 11th St and Washington Ave will remain in place to safely and efficiently perform work activities in April. Thru traffic remains detoured on Pacific Ave and 6th St while local access to (Lower) Washington Ave, Highland Ave, and Pleasant Ave remains provided. Flaggers may be stationed in areas during work hours to ensure the safety of the public and workers. For your safety, please utilize signed pedestrian detours and do not attempt to walk in the active work area where sidewalk is signed as closed.

During the month of April, major work activities are planned to include construction of decorative retaining wall panels along the west side of Washington Ave, completion of improved storm drainage systems in the work area, and construction of new curb/sidewalk. We expect a higher volume of construction traffic in and out of the work area through April as many different work activities will be happening concurrently and as we work to begin paving operations in May. There will be a much more obvious transformation of the roadway as curbing is installed, the large retaining wall is completed, and as sidewalk is installed.

The traffic signal at Washington Ave and the Manette Bridge remains operational to provide safe thru access for (Lower) Washington Ave residents, maintain safety for crosswalks, and to allow for construction traffic access. Sidewalk remains closed within the work area with an alternate pedestrian route provided along (Lower) Washington Ave and 11th St Place.

We thank you for your continued patience and support!

*Ongoing Temporary Closure of 11th St and Washington Ave (Pacific Ave to North of the Manette Bridge)
Local Access Maintained*

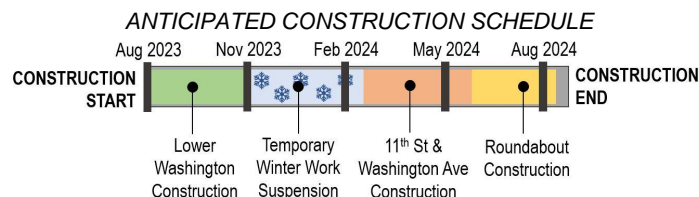

Continued installation of improved underground stormwater systems

Installation of new water mains across 11th St (Highland & Pleasant)

Construction underway for new decorative retaining wall along the west sidewalk (Washington Ave)

Refer to the Temporary Road Closure Notice on the next page for additional information

WASHINGTON AVENUE & 11TH STREET IMPROVEMENTS PROJECT

TEMPORARY ROAD CLOSURE NOTICE

Beginning **February 12, 2024** a temporary closure of 11th St and Washington Ave (between Pacific Ave and the Manette Bridge) will occur for approximately 3 months to allow for a full reconstruction of the roadway.

THRU TRAFFIC: A detour will be provided along Pacific Ave and 6th St. Access to and from the Manette Bridge will remain open, however no thru traffic will be permitted on Washington Ave north of the Manette Bridge.

LOWER WASHINGTON RESIDENTS: A local access driveway will be maintained immediately north of the Washington Ave / Manette Bridge signal for local traffic.

HIGHLAND & PLEASANT RESIDENTS: The intersections of 11th St at Highland Ave and Pacific Ave will remain open for local traffic. Local access to and from Pacific Ave along 11th St will be provided when possible, however some work may require a detour along 11th St Place.

PEDESTRIANS: Sidewalk within the road closure is subject to closure and detour routes will be signed. Sidewalk along Lower Washington and 11th St Place will remain open for access between Pacific Ave and the Manette Bridge.

ON-STREET PARKING: To be restricted along limits of closure on 11th St and Washington Ave. On-street parking restrictions may occur outside the work area along detour routes to provide sufficient space for larger vehicles.

BUS & TRANSIT: While service will be maintained please contact the Bremerton School District (360-473-0507) or Kitsap Transit (800-501-7433) for information on changes to routes, schedules, or stops.
