

HOUSEHOLD HAZARDOUS WASTE

If a container has the words **caution, warning, flammable, combustible, danger, toxic, or poison** and still has product inside, it does not belong in the garbage, recycling, or down a drain. Kitsap and Mason County residents can safely dispose of hazardous household products at the Kitsap County Household Hazardous Waste (HHW) Collection Facility for no cost. Qualifying businesses and nonprofits can use the Small Quantity Generator hazardous waste disposal program for a fee.

Address:	Kitsap County Household Hazardous Waste Facility 5551 SW Imperial Way, Bremerton, 98312
Residential waste from Kitsap and Mason County Households:	No fee. No appointment needed for small amounts of waste. Appointment required for large loads and potentially dangerous products. Large loads are more than 50 containers, loads over 50 gallons total, or containers larger than 5 gallons. Potentially dangerous products include laboratory chemicals, unknown chemicals, or containers that may fall apart. Visit kcowa.us/hazwaste to make appointment or call Kitsap1 360-337-5777. Residential hours: Thurs., Fri., Sat. from 10 a.m. to 4 p.m. Closed July 4, Thanksgiving weekend, and Christmas Eve through New Year's Day.
